Virginia Fitzgerald
Molly Bloom Designs

Dear Virginia:

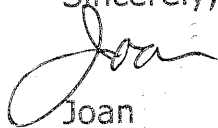

Randy and I want to thank you for the gorgeous floral arrangements for our daughter Liz's wedding at the Renaissance Boston Waterfront Hotel on June 21, 2008.

The flowers were breathtaking and just the vision Liz had for her flowers. I can't tell you how many wedding guests commented on the centerpieces and the bridal party bouquets and how beautiful they were.

We will highly recommend Molly Bloom Designs to everyone we know (and, in fact, have!).

Thank you again for making our daughter's wedding so beautiful.

Sincerely,

Joan
